GAME RULES

Who's it for?

For everyone! There are no prerequisites for this challenge other than the motivation to do it.

When?

This Bingo takes place from March 20 to 30, during the Pesticide Action Week.

What's in it for us?

PAW is an event that depends on your commitment and actions. To make sure that everyone knows about it, we're offering you a few actions to share. Besides, who hasn't enjoyed filling in the blanks?

How do I validate a box?

Nothing could be simpler. Simply take the action requested and share your success on the social network of your choice by "tagging" the SPAP account @SemaineAlterPesticides on Facebook, @Alter_Pesticide on Twitter, @alternatives_pesticides on Instagram.

To find your actions more quickly, you can add the #SPAP2024, #AlternativesPesticides and #BingoSPAP2024 under your posts.
